DEDICATION

HOYT PUBLIC LIBRARY
EDDY COLLECTION

We are proud to dedicate the 1964 Aeonian to Mrs. Doris Bird in appreciation for her untiring and loyal service to Arthur Eddy.

She has been very helpful to many Arthur Eddy students and teachers. We are all very grateful for this.

Published by the Journalism Class
of
Arthur Eddy Junior High School
1000 North 20th Street
Saginaw, Michigan

The junior high school is a place to train and educate the minds of young people.

More than ever, America and the world needs responsible citizens as well as trained and educated people.

We trust the Arthur Eddy pupils have gained considerably in training, education and responsibility. Since our training and education will go on for many years, great stress should be put on the responsibility habits. Habits last a life time and are readily acquired now. It is just as easy to gain a good one, as it is to gain a poor one.

We hope that you are rated as highly responsible by your associates. How do you rate yourself?

FOOTBALL

After not participating in football last year, this year's team proved to be very successful posting a 1 won, 2 lost, 1 tied record, one of the best seasons the school has ever had in football. The championship was won by South. Contributing most of the success to this years team were Steve Barker, Terrell Sanders, Willie Ware and Spencer Whitehead. The highlight of the season was when Eddy defeated North 12-0.

BASKETBALL

The junior basketball team posted a 4-4 record to finish the season in third place. South won the junior championship posting an unbeaten record although Eddy almost beat them in the final game. Charles Davis, Bobbie Turner and Chris Horn were the leading players on this years junior team.

The senior basketball team owed much of their success to the outstanding play of Carl Taylor, Warren Simmons and Charles Kelley. They posted a 5-3 record to take second place. Central won the championship in the senior division losing only once.

SWIMMING

This year's junior and senior swimming team were very successful. The juniors after winning 3 of 4 practice meets finished third in the city meet behind Webber and South. Tim Poindexter, John Vance and Ronnie Sanders led the junior team throughout the year. The seniors were more successful as they won all four practice meets and went on to win the city championships. Outstanding swimmers on this years championship team were Jeri Murphy, Larry Parham, Raymond Presley, Lloyd Lindsey, Terrell Sanders and Carl Taylor. The championship was the first swimming championship ever won in Arthur Eddy's history.

VOLLEYBALL

This year's volleyball team showed hard play and good sportsmanship throughout the year. They finished in last place with a 2-14 record. Although their record was poor their team spirit was always very high. Outstanding team members this year were Brenda Donald, Jeanetta Bentley and Eileen Bond.

STUDENT COUNCIL

The Student Council is the governing body of our school. They put on both awards assemblies this year and guided the 7th graders of next year on a tour of the building. Valerie Ward served as 1st semester president.

HI Y AND Y TEENS

President Adelita Arizo of the Y Teens, and Johnny McNair of the Hi Y led their organizations in activities this year. The Y Teens held their annual canned goods dance and sold popcorn at school functions along with the High Y. The two groups enjoyed a picnic together at the end of the year.

BASEBALL

As we go to press the baseball season is just under way. We are looking forward to a good season this year behind the strong pitching and hitting of Robert Barker, Steve Barker and Beryle Miller.

P.T.A.

The Parent Teacher Association met this year on the third Thursday of each month. They raised money for the band uniforms by putting on dances and selling refreshments. At each meeting there was a program with either a speaker or a presentation by one of the departments of the school. One meeting was an open house. Officers this year were:
President: Mrs. Jessie Landrum
V. President: Mrs. Earlie James
Secretary: Mrs. Agnes Johnson
Treasurer: Mrs. Clara Broadnax

HOME ECONOMICS

The homemaking department is divided into two general areas: cooking and sewing. The cooking section learned how to cook a variety of things while the sewing section made such things as aprons, dresses and skirts. In addition to this, the topics of etiquette, good grooming and childcare were studied.

INDUSTRIAL ARTS

The students in wood shop made such projects this year as Mexican flower carts, magazines racks and planters. The boys in wood shop also painted the entire room. In drafting, the boys make drawings of many things including isometric, oblique and perspective. The metal shop produced such projects this year as a candy tray, towell rack, cookie cutters and waste paper baskets. The instructors in shop agree this has been a good year and are looking forward to even a better one next year.

CHORUS

The Chorus put on and participated in many activities this year. A few of these were a Christmas program put on for the PTA and a Spring Festival where all the junior and senior high schools in the city participate.

INSTRUMENTAL MUSIC

The instrumental music department has performed at many occasions throughout the school year. A few of these are pep assemblies, honor assemblies and the annual "Spring Concert". The orchestra played for the visiting 6th graders in May. The students have enjoyed band and orchestra very much this year and are looking forward to another good year next year.

ART

Outstanding students in the art classes this year were Roger Lukowski, Johnny Enriquez, Nathaniel Chisolm, Willie Lowery, John Louis and Johnny McNair. Roger Lukowski and Johnny Enriquez took a second place and an honorable mention respectively in the Regional Art Show. The art classes also entered outstanding pictures for The Saginaw Fair Cover Contest and The International Red Cross. Some of the types of work done in art are water painting, drawing with crayons, weaving and saw dust drawing.

SPELLING BEE

A contestant from each English class participated in a spelling bee. The winner was ninth-grader Geraldine Barnes who won by spelling "noticing". The runner up was Rose Glanton, an eighth grader.

BIG SHOW

This year's Big Show was directed by Mr. Porterfield with Donald Little serving as assistant director. Some outstanding acts in the Big Show were a satire of the "Clay-Liston Fight", a thrilling attack from Venus and the modern dance put on by members of the girls gym classes. Nathaniel Chisolm served as master of ceremonies. Also there were many good vocalists including Connie Bond singing "I Can't Wait".

CLASS WILL
